# Strategic Marketing Framework

## Phase 1: Clarify

- Define ideal customer profile
- Craft compelling offer
- Nail your unique positioning

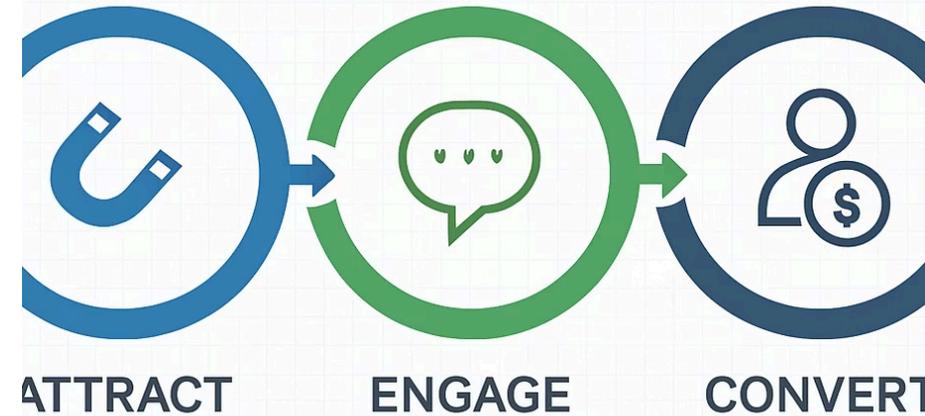

## Phase 2: Build

- Focus on 2-3 channels only
- Set one clear 90-day goal
- Create high-leverage content

## Phase 3: Scale

- Track the right metrics
- Automate key processes
- Review and optimize weekly

## MARKETING PROGRESSION PHASES

# Marketing Mistakes to Avoid

-  **Launching paid ads too early**  
Don't spend before you have a working funnel in place.
-  **Not choosing a niche**  
Trying to appeal to everyone means appealing to no one.
-  **Skipping analytics**  
If you can't measure it, you can't improve it.
-  **Inconsistent messaging**  
Your branding and offer must align perfectly.
-  **Trying to do everything**  
Focus equals power in marketing strategy.

# Measure Your Success
